Ryan Drew (ryan.drew) - 10:20 : good point Nathan - hovering is nerve wracking

Glen Cochrane (GlenFC) - 10:20 : It might be useful for understaning how students compose and create, rather than just viewing the final product.

Glen Cochrane (GlenFC) - 10:21 : ...make examples out of high achieving students.

Ryan Drew (ryan.drew) - 10:21 : nope that's great
